

Organization Chart for the Columbia River Treaty

Notes:

- 1) The Entities and the PEB are creations of the Treaty, and all report directly to their respective governments.
- 2) The Operating Committee and HydroMet Committee report to the Entities; the PEBCOM reports to the PEB.
- 3) CRT XIV2(f): The Entities are tasked with "*assisting and cooperating with the PEB*".
- 4) CRT XV2(c): Similarly, the PEB is directed to "*assist in reconciling differences concerning technical or operational matters that may arise between the entities*".
